

# THE MAJESTY OF OUR LORD

Sermon notes from **6/24/07**

## **Psalm 8**

Rev. Douglas D. Warren

### Preparation

*What do you sing? Or what do you listen to on your itunes? Songs really do "say so much." God has given us a whole song book in the Psalms—songs of praise. Much of our song list in every day usage contains songs of praise. Lyrics praise love, style, bravery, coolness, etc. The song we are looking at today specifically praises God's majesty. Take a few moments in preparation of the sermon and read through this Psalm and consider what it says about the glory of God.*

### Key Verses

Psalm 8: 1 O LORD, our Lord, how majestic is your name in all the earth!  
You have set your glory above the heavens.  
9 O LORD, our Lord, how majestic is your name in all the earth!

### Message

- I. The Majesty of God's Name**
  
- II. God's Zeal in Manifesting His Own Glory**
  
- III. God's Glory in Creation**
  
- IV. God's Glory in Salvation**

### Application

*Please consider the following questions as you seek the Holy Spirit's direction:*

1. Why is God so majestic? How do you primarily see that?
2. How are you responding to God's glory?
3. How can you tell of His glory to your friends, coworkers, and neighbors?
